

## ADAMS RITE 4750 Mortice Euro Deadlatch Case

### Description

The Adams Rite 4750 Deadlatch offers flexible traffic control and a good level of security. This deadlatch can be used in conjunction with the 7100 series Electric Strike to provide remote access control and it is operated using a 17mm Euro cylinder. The 4750 has a reversible latch for convenient installation and is suitable for use on aluminium doors.

Please note that the backset measurements include the 4mm faceplate, however the faceplate must be ordered separately.
