**PRODUCT DATA SHEET**

<b>Product</b>	<b>Quick Dry Textured Step &amp; Tile Paint</b>
<b>Type</b>	A matt acrylic based paint containing texturing agents to provide a low slip risk potential surface in wet and dry conditions, available in red oxide and black colours.
<b>Intended Use</b>	For tiles, concrete and bricks. Not for use on glazed or quarry tiles.
<b>Special Features</b>	Quick drying and contains micronised red oxide pigment for good opacity. Dried surface finish rated as 'low slip risk potential' according to BS 7976, Part 2, 2002; Assessment of slip resistance in both wet and dry conditions.
<b>Preparation</b>	The surface must be clean, smooth, sound, dry and free from wax, dust and contaminants. Any wax polish previously applied can be removed with white spirit, steel wool and a clean rag. Existing paint, not being removed should be sanded to provide a key and cleaned with white spirit or detergent.
<b>Application</b>	May form a soft crust on storage which must be stirred into the paint before use. Use a good quality brush and apply evenly.
<b>Coats</b>	2 coats are usually sufficient. Sand lightly between coats if required.
<b>Drying Time</b>	30 minutes depending on temperature and humidity. Do not apply outdoors if rain imminent.
<b>Re-coating Time</b>	Allow 4 hours between coats or overnight, depending on temperature and humidity.
<b>Application Temp.</b>	Ideally 15-25°C. Do not use below 10°C, or in conditions of high humidity or if rain imminent.
<b>Coverage</b>	14 sq. metres per litre, per coat, depending on the absorbency of the surface.
<b>Maintenance</b>	Re-apply when surface becomes worn. The surface to be coated should be cleaned with a mild detergent solution or white spirit and lightly sanded to provide a key.
<b>Compatibility</b>	Can be applied over most paints but test for compatibility before applying.
<b>Settlement</b>	<b>STIR WELL BEFORE USE.</b>
<b>Shelf-life/Storage</b>	Many years if stored in original, tightly closed container, in normal conditions.
<b>Hazards</b>	Keep out of reach of children. Avoid contact with skin and eyes. After contact with skin, wash immediately with plenty of soap and water. A full Safety Data Sheet is available upon request or on <a href="http://www.rustins.co.uk">www.rustins.co.uk</a>
<b>Clean-Up</b>	Remove excess product from brushes and then clean with water. Hard brushes can be cleaned with <b>Rustins Brush Restorer</b> .
<b>Sizes</b>	500ml and 1 litre, (Black only available in 500ml).
